## TEAM CAPTAINS / CO CAPTAINS

Team Captains are responsible for:

Entering score into the League Book.

- Register Team- Online at [horseandhunt.com](http://horseandhunt.com) or by submitting form to [kimberly@horseandhunt.com](mailto:kimberly@horseandhunt.com)
  - If turning in team roster/money before 1st week of leagues t-shirts will be available to pickup.
  - Team roster and league fees are due by April 15th.
- Register 1st Night of League
  - If you choose to wait and register on the first night of shooting, please email Kimberly with your starting day, time and team name to get signed up.
- Team rosters may be modified until May 12th.

## HANDICAPS:

Handicaps are calculated by using the shooter's average score, then subtracting it from "par", which is 43, and multiplying the difference by 70%. Example: if a shooter's average score is 30, the equation is  $43 - 30 = 13 \times 0.7 = 9.1$ . The product (9.1) will be added to the shooter's score. Handicaps are adjusted every week. Maximum score with a handicap is 43. All shooters are handicapped.

## LEAGUE BANQUET:

Last year, we had 400 people at the banquet - it was a ton of fun! Awards are given to teams that place 1st, 2nd, and 3rd in classes AA, A, B, & C. The remaining cash will be used to purchase prizes awarded by random drawing to league shooters who complete all 15 weeks of shooting. Last year we gave away over 150 prizes!

## NEW SHOOTER? OPEN HOUSE:

April 4th, 5:30 pm in the Banquet Hall - Rules & Instructions - Appetizers Provided  
This open house is for shooters who are new to sporting clays and for individuals who are looking for a team. Captains of existing teams are welcome to bring new shooters. We will cover all details how our league will run - rates, checking in, shooting a round, scoring, and handicaps.

# COURSE RULES

## CHECK-IN:

When you get to the cashier-

- Let us know what team you're on. For example I'm with "Team big shot" and my name is "Vinnie Johnson."
- If you are a member present your member card and payment for your round of clays.
- When everybody arrives ONE person from the team needs to leave an ID or membership card in exchange for the programmed shooting card.
- Don't forget to grab your clipboard and scorecard for your team.

## CHECK-OUT:

Once everyone is finished shooting, the person that left their ID can come to the front desk to return their shooting card and retrieve their ID. Captains/co-captains will enter scores into the scorebook.

## SHOOTING ON THE COURSE:

Every team needs to start at STATION #1 at your assigned course. Even if there are two or three teams. NO jumping around. When it's your team's turn to shoot stands will clear up and your team will move right along.

## MISSED WEEKS:

What to do if you miss a week -

Example: You shoot week 1 and 2, and on week 3 it rains. Then on week 4, you need to stick to your scheduled course and makeup week 3 at a different date.

## BROKEN TRAPS:

Call the clubhouse to report a problem (952-447-2272).

- Throw the appropriate number of targets off the trap that works
  - Or go back to that station after you moved through the whole course to make it up.
- DO NOT keep pushing the button, it will count targets off the card and you will run out.

## REMINDERS:

- Under no Circumstances should shooters attempt to fix machines.
- We sometimes need to fill machines while your are shooting. If we are down range STOP shooting. If we are behind or to the side of you continue to shoot.
