*Fred Blesener: Fred played mainly in the Flusher Class for the first 15 years of his career. He became a legend running Labs. Now he continues to build the legend as he runs Pointers and just keeps winning.*

*Brian Roushar: As a professional dog trainer this guy really knows dogs. As a pro hunter, he really knows dogs, people, fields and birds. In 2011 he'll pass the 1,000 point mark.*

*Tim Herold: Tim now has the second highest number of points in history. He's amassed them behind legendary dogs like HHC Mich, Mitch, Abby, Tor, Mia, Sieger and current champions like HHC Toby, Scent and Hank. The "Concrete Man" just keeps on coming.*

*John Turnquist was nearly unbeatable in the field with Elko. And here they are with the Top Dog trophy just in case anyone wants to argue about it.*
