

# MN HORSE & HUNT CLUB'S 2021 SPORTING CLAY LEAGUE

*Begins April 20-21-22*

We are holding a new shooters meeting / open house on April 15th at 5PM for shooters needing a team. We will form teams **THAT DAY** for all shooters that show up. We will provide a complimentary round of clays as well as appetizers and cocktails in the Grand Ballroom after shooting.

Shooters should expect to shoot around 5 or 6PM on Tuesday, Wednesday & Thursday.

Spring League shooting is a great way to improve your skills, have fun and enjoy the company of like-minded outdoors men & women. Spring League consists of 15 weeks of shooting 50 target rounds per week, using our 5 courses three times each. The handicapped scoring system means that everyone can contribute regardless of their skill level.

Shooters need to pay their league fee to the front desk in order to get their free t-shirt
