

# 2021 SPORTING CLAY LEAGUE RULES & RATES - 2021

## **DATES:**

Spring League runs from April 19 through August 22. You can practice here anytime before that! If you are new to shooting League at the Minnesota Horse & Hunt Club, contact Bob to answer any questions you may have. Contact him at [Bob@horseandhunt.com](mailto:Bob@horseandhunt.com)

## **BASICS:**

League play consists of one round per week, each round consisting of 50 targets. The price per round is \$20 for members and \$27 for non-members. One time league fee prices are \$15 for members and \$25 for non-members. **Save \$1 per round by purchasing a prepaid 15 round punch card - \$285 for members and \$390 for non-members.** The punch cards will also expedite your check-in.

## **SPORTING CLAYS MEMBERSHIPS:**

The price of a Sporting Clays Membership is \$129/year. Membership benefits include **member pricing** on all clay target games (Sporting Clays, Trap, Skeet, 5-Stand & FITASC) year-round, **15% discount** on food at Trigger's and **15% off** items in the pro-shop.

## **TEAMS:**

A minimum of five shooters is required to make a team and a maximum of fourteen. Team scores take the five highest shooters, including handicap, for a weekly total. Non-League members are allowed to shoot with teams, but **only scores shot by shooters on the team roster** will be posted in the League Book. Once week 8 is over, you will no longer be able to enter scores from weeks 1-6.

## **PRIZES:**

All team fees collected will be paid back to the League shooters in the form of prizes for the teams that place in classes AA, A, B & C. The remaining cash will be awarded by random drawings to league shooters who complete all 10 weeks of shooting. Prizes will be in the form of clay rounds, ammunition, pro shop items, gift certificates, etc. **Prizes will be awarded at the end-of-season League banquet.**

## **TEAM CAPTAINS:**

Team Captains will be in charge of:

- 1) Turning in the team roster **the week before league starts**. Shooters can still be added after the start of the League.
- 2) Entering the scores into the League book.
- 3) Getting the full team signed up on or before May 15th so you do not fall behind.
- 4) Team captains will be awarded a round of clays for each shooter that shoots all 10 rounds at the League banquet in mid-October.
- 5) Day of shooting: Please get your team together and pay as a team; once everyone is paid, your team will receive the shooting card.
- 6) Call us the week before league starts to get your team signed up.

## **HANDICAPS:**

**Handicaps are calculated by using the shooter's average score**, then subtracting it from "par", which is 43, and multiplying the difference by 70%. Example: If a shooter's average score is 30, the equation is  $43 - 30 = 13 \times .7 = 9.1$ . The product (9.1) will be added to the shooters score. Handicaps are adjusted every week. Maximum score with a handicap is 43.

# **AFTER LEAGUE CRAZY GAMES**

After the League ends, starting on August 16th and running through September, the Horse & Hunt Crazy Games will start (no games during August 23-26).

We will take two of our courses and shoot 50 targets over them. Targets will be adjusted or shooters will shoot standing in hoops. We load a few pink and white targets in a couple of machines. If a shooter hits a pink clay they will receive a bucket of beer and if a white clay is shot, a hat will be rewarded.

Pricing will be the same as League, plus an additional \$3 cash per shooter. We will pick a score (or two) at random and then pay back that shooter's money as a prize.

Think of our "After League Crazy Games" as a fun end-of-season mini tournament to enter with your friends!

Our League Banquet will be held at the beginning of October for all to attend. We will be giving away the team prizes as well as all of the additional prizes for the year long event.
